With trust & care we will grow & flourish

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- a) Develop or add to the PE and sport activities that your school already offers
- b) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Funding received: £19,510
