Children's Parliament Action Plan 2023-24 Sustainability Focus

| | |
|---|--|
| Aim (future): To support our school to be more sustainable, reduce waste and raise the profile of eco-positive actions and solutions | |
| How are we going to do this? Agreed actions | Why has this been identified as a priority? |
| 1. Develop school lunch time menu to consider healthy meals – salad bar | Some children are not accessing a balanced diet at lunch time even though it is on offer |
| 2. | |
| 3. | |

Action Plan –

| Step | What do we need to do? | By when? | Who is leading on this? | Who do we need to work with to get this done? | How will we know when it is done? | ✓ when complete |
|------|---|----------|-------------------------|---|-----------------------------------|-----------------|
| 1 | Look at children's preferences for fruit and veg -questionnaire | Jan | School council | class | All children will respond | |
| 2 | Consider ways to make it healthier –salad bar | Feb | School council | Class, Mrs Ozmen, Mrs Badwal and dinner staff | Spoken to adults | |
| 3. | Invest in salad bar | | | | | |
| | | | | | | |
| | | | | | | |
