Dear Parent / Carer,

We are pleased to inform you that during the winter break, Derby City Council will continue to support eligible families through the Holiday Activities and Food (HAF) Programme. The HAF programme offers free activities and meals to eligible school-aged children during school holidays.

We are working with the HolidayActivities booking platform to issue voucher codes and provide access to the system which allows you to discover and book available HAF activities. Look for an email from **HolidayActivities.com** with a link to access your voucher code. This will be sent to the primary email address that is registered with your child's school. Please note that a new voucher code is required for each holiday period, and any HAF voucher codes previously issued are no longer valid.

Key dates:

Voucher codes will be issued to each eligible child via email **during the week of 17 November**.

Please note:

- Voucher codes may take up to 9:00pm on the issue date to arrive. Don't forget to check your junk or spam folder in case the email has been misdirected.
- [Here's](#) a helpful guide to assist you with making bookings through the platform. Further information regarding the Holiday Activities and Food (HAF) Programme can be found [here](#).
- The HAF voucher codes are completely separate to the supermarket food vouchers. You will receive your **HAF voucher code from the HolidayActivities system** and your **supermarket food voucher letter from your school**.

Kind regards,

The Derby HAF Team
