

With trust and care we will grow and flourish

Year 6 Parents Information Booklet

Summer Term 2021

At Pear Tree Junior School, we believe that learning is a two-way partnership, involving school and home. We hope this leaflet will answer some of your questions as your child learns in Year 6 and gives you some ideas of ways to help at home!

Inside this booklet you will see what your child is studying this half term. Please take time to read through and discuss this with you child.

Should you require any further information about the curriculum or any other queries please ask to speak to a member of staff

Teaching Staff

Class: Royce

Teacher: Mr Miah

Class: Nightingale

Teacher: Miss Farrell

Class: Arkwright

Teacher: Mrs Belleh

Class: Bloomer

Teacher: Mr Bunting

Year 6 additional teaching staff

Mrs Gibb

Mrs Campbell

Mrs Pratt

Mrs Burdis

Miss Beale

Homework

Homework and learning activities will be given out via Marvellous Me and using the red Jigsaw Learning book. Children should make efforts to complete all activities and ask for support if they need it.

Knowledge Organisers

At Pear Tree we have introduced Knowledge Organisers (KOs) in class and as homework to help children to learn the essential knowledge they need for each topic they study. A Knowledge Organiser sets out in detail what we want children to know by heart by the end of the topic. We expect the majority of children to be able to recall all of the information on the KO by the end of the topic.

Reading

Your child will have a home school learning log and reading book, which will need to be taken home and returned to school every day. Your child should read at home every day and an adult will need to sign the learning log to show that your child has read to an adult. Reading diaries and logs will be checked every week.

PE Kits

Your child will need correct PE kit. As the weather gets colder, we will allow children to wear dark jogging bottoms. We will be doing PE every week on a Wednesday.

Please ensure your child is wearing the correct school uniform everyday. Make sure that all clothing is clearly labelled.

Websites to help

BBC Bitesize - Bug Club - Times Tables Rock Stars – Purple Mash

Science

In Science we are developing our enquiry skills and carrying out a range of experiments. We will also be learning about evolution, Inheritance and adaptation.

History

In History we will look at the transatlantic slave trade and the role Britain played. We will consider what makes a slave and how slavery ended.

Geography

In Geography we will learn about Ghana and its exports. We will look at how chocolate is produced and who the real profiteers are. We will also learn about what Fair Trade is.

Shared Reading

We will be reading Holes by Louis Sachar. We will be looking at a variety of videos, images, songs and extracts from texts to build our comprehension skills.

Enrichment

The children will take part in workshops by The University of Derby looking at what a university is and what career choices are out there.

Outcome

To recognise what makes me unique, Improve our reading, writing and mathematical skills.

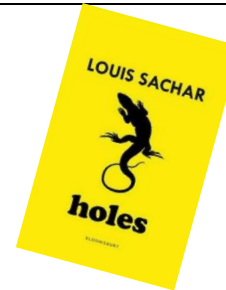

Maths

In maths we will: Improve speed through daily arithmetic practise. Applying reasoning skills to solve problems. Complete transition units. Practise times tables at home using Times Tables Rock Stars.

Key Text

Holes by Louis Sachar

Year 6 Summer 2

Writing Opportunities

We will have opportunities to write every week. We will write: A letter home from Stanley.

Writing linked to our end of term reports as well as writing opportunities for our wider curriculum topics.

Key Question/Topic: How can we be ready for Secondary?

PSHE

In PSHE we will be looking at career aspirations and choices. We will also be involved in a Transition Project called Winning Minds.

Learning Together

We will be focusing on reflection, looking back at our year. We will also do some transition work and explore the changes ahead for secondary school.

RE

We will learn about journey of life in different religions and how they are similar and different across a range of religions.

Music

In music we will be learning some music and songs from a Roma background.

Computing

In computing we will use the computers to create videos about our time at Pear Tree.

Art/DT

In art we will design our own yellow spotted lizards.

PE

In PE we will be playing ball games, Athletics and team games.

Languages

We will continue to learn key words and how to hold a basic conversation in French.
