

Homework

Homework will be given out each Friday and will be expected in the following Tuesday. We are trialling homework on Showbie (online) this term. Every child has a Showbie account. Children will be sent spellings and expected to go on TT Rock Stars and Bug club.

Knowledge Organisers

At Pear Tree we have introduced Knowledge Organisers (KOs) in class and as homework to help children to learn the essential knowledge they need for each topic they study. A Knowledge Organiser sets out in detail what we want children to know by heart by the end of the topic. We expect the majority of children to be able to recall all of the information on the KO by the end of the topic.

Reading

Your child will have a home school learning log and reading book, which will need to be taken home and returned to school every day. Your child should read at home every day and an adult will need to sign the learning log to show that your child has read. Reading diaries and logs will be checked every Friday.

PE Kits

Your child will need correct PE kit. As the weather gets warmer we will be doing PE outside. Make sure your child has a water bottle. PE is on a Tuesday.

Please ensure your child is wearing the correct school uniform everyday. Make sure that all clothing is clearly labelled.

With trust and care we will grow and flourish

Year 5 Parents Information Booklet Summer Term 2021

At Pear Tree Junior School, we believe that learning is a two-way partnership, involving school and home. We hope this leaflet will answer some of your questions as your child learns in Year 5 and gives you some ideas of ways to help at home!

Inside this booklet you will see what your child is studying this half term. Please take time to read through and discuss this with your child.

Should you require any further information about the curriculum or any other queries please ask to speak to a member of staff

Teaching Staff

Class: Calke	Teacher: Mrs Elliott
Class: Chatsworth	Teacher: Miss Glenn
Class: Hardwick	Teacher: Mr Leek

Year 5 additional teaching staff

Miss Campbell	Miss Osbaldeston
Mrs Elliott	Miss Mayat
Mrs Aisha	
Miss Zuzana	

Science

To look at how water is purified.
Some changes are reversible –like the water cycle and some are irreversible.
