

ness that we share with y
d and respected members

Sal had been a conscientious member of the Pear Tree team working as a mid-day supervisor for just under 17 years.

Sal became ill over the Christmas break and was admitted to hospital the second week of January. She continued to fight, however despite the treatment and care she received she was unable to recover. Unfortunately, she passed away on January 29th.

This has come as a real blow to the staff and we know that the children will miss her kindness and caring nature, the staff will also miss her loyalty, her commitment and her dry sense of humour.

On the children's return to school we will do something as a community that will help us celebrate the time that she had with us.

I'm sure you will join us in sending thoughts & prayers to her family and friends.
