

# Welcome Back

We look forward to seeing you all back on **Monday!**

Dear All,

We are delighted that children will be back in school on Monday. The website has all the latest documents about how we will be ensuring children and staff are safe. If you have any questions please ask.

To ensure that Monday runs as smoothly as possible please make sure you know and follow the school guidance below:

- All children will enter and leave via Harrington Street
- Only one adult should bring and collect children from school
- Please make sure you arrive on site at the correct time (See times below)
- Ensure you maintain social distance on site at all times
- Children should wear school uniform
- Children should bring a filled bottle of water everyday (bottles will be provided for children on the first day if they do not have their own)
- Children will be provided with pencil cases they do not need to bring anything else to school
- Children can bring a packed lunch
- School Meals can be paid to office staff who will be situated in the dining hall

Year Group	Start Time	End Time
Year 3	8.45am	2.35pm
Year 4	9.00am	2.50pm
Year 5	9.15am	3.15pm
Year 6	9.30am	3.30pm

*Please be assured that although the length of the school day has changed the amount of teaching time your child receives will stay the same. This is due to reducing registration periods, assemblies and lunch times.*

*We understand that some families have more than one child at school so brothers and sisters will be allowed to arrive and leave at the same time. You should have had a phone call to discuss these arrangements. If you have any concerns regarding start and finish times please contact the school office.*
