

Year End Reports

Collection day for children in Years 3 – 4 - 5

Dear Parents / Carers,

On Wednesday 15th July, there will be an opportunity for you to come to school with your child to collect their annual reports. Where possible, you will also be able to see their current class teacher and discuss the content of their report. We know the children have really missed the school staff and we have missed all of our children and would love to see them on this day.

Wednesday 15th July

There will be two sessions when you will be able to come to school

9.30am - 12.00

1.00pm - 3.30pm

All activities will be held on the field (weather permitting) and we ask that all parents and children follow Government guidelines for social distancing. Please use the **field gates** on either Harrington or Pear Tree Street. A Gazebo's for each year group will be identified with your child's class teacher waiting to see you.

The school report will contain the name, and information about your child's class teacher in September. As well as their end of year school report, your child will receive a summer learning activity pack that will support them and prepare them for their return in September.

Unfortunately, due to social distancing we can only invite one parent and their child in year 3, year 4 and year 5 to visit school on the day.

Pupils in Year 6 will be having a separate opportunity to collect their report, this has been scheduled for Wednesday 22nd July.

If your child has been attending school, they will receive their reports in school.

Information regarding school opening for September will be sent out before the end of the summer term.

We look forward to seeing you on Wednesday 15th July and sharing your child/children's success over this year.

We hope that you continue to stay well and hope that the summer brings many happy memories for you all. We look forward to seeing all our children again in the new school year!

Best wishes

Pear Tree Community Staff
