Monday 6 th	Children return to school		

Pupil Photographs

Your child will have brought home information on how to place an order for your child's school photo. If you have any problems accessing the website, would like to make payment or have any other queries then please drop into the school office, the ladies there will be happy to help!

Mobile Phones

Could we please remind parents that children should not be bringing mobile phones into school. If you have a reason for sending your child with a mobile then please speak with one of the safeguarding team who will look after the mobile until the end of the day.

Confirmation Documentation

The ladies in the office are always willing to help and support you if you require any documentation that is required for either the Job Centre, Home Office or solicitors. Letters are sent by email or post directly from the school and are NOT given out to parents. Due to the high volume of requests that we are now receiving we require a minimum of 5 working days to allow us to process them.
