

With trust and care we will grow and flourish

Year 5 Parents Information Booklet
Summer Term 2019

At Pear Tree Junior School, we believe that learning is a two-way partnership, involving school and home. We hope this leaflet will answer some of your questions as your child learns in Year 5 and gives you some ideas of ways to help at home!

Inside this booklet you will see what your child is studying this half term. Please take time to read through and discuss this with you child.

Should you require any further information about the curriculum or any other queries please ask to speak to a member of staff

Teaching Staff

Class: Calke	Teacher: Mrs Elliott
Class: Chatsworth	Teacher: Miss Glenn
Class: Hardwick	Teacher: Mr Leek

Year 5 additional teaching staff

Miss Campbell
Mrs Anderton
Mrs Aston

Homework

Maths and SPAG homework will be given out each Friday and will be expected in the following Tuesday. Children who do not complete homework activities will complete them during their break times or can come to homework club on a Monday after school with Miss Campbell.

Knowledge Organisers

At Pear Tree we have introduced Knowledge Organisers (KOs) in class and as homework to help children to learn the essential knowledge they need for each topic they study. A Knowledge Organiser sets out in detail what we want children to know by heart by the end of the topic. We expect the majority of children to be able to recall all of the information on the KO by the end of the topic.

Reading

Your child will have a home school learning log and reading book, which will need to be taken home and returned to school every day. Your child should read at home every day and an adult will need to sign the learning log to show that your child has read. Reading diaries and logs will be checked every Friday.

PE Kits

Your child will need correct PE kit. We will be doing PE on Monday and Thursday.

Please ensure your child is wearing the correct school uniform everyday. Make sure that all clothing is clearly labelled.

Websites to help

BBC Bitesize Bug Club
Times Tables Rock Stars

Science

To look at how materials change state –from solid to liquid to gas.

Some changes are reversible –like the water cycle and some are irreversible.

History

To look at how the Roman Empire shaped Britain today.

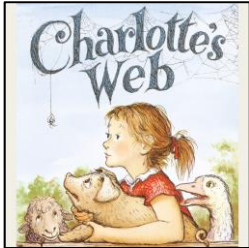

Geography

Look at countries surrounding Italy. To find the city of Pompeii on a map and locate Mount Vesuvius the volcano which erupted over Pompeii.

Shared Reading

Charlotte's Web
by E.B. White

Enrichment

We will visit Adventure Farm in Burton – on-Trent.

Outcome

To showcase own habitats which children have developed for a pet.

Maths

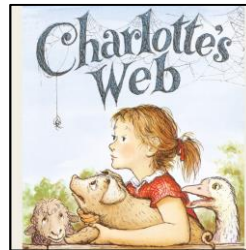

Perimeter of shapes

Area of 2d shape

Measures and conversions

Revisit the 4 basic operations.

Key Text

Year 5 Summer 2

Writing Opportunities

To produce a persuasive piece of writing answering the following question:
Should Wilbur be killed for Christmas dinner?

Key Question/Topic Why do animals adapt and change in their environment?

PSHE

In PSHE we will be looking at relationships and how to get on with our friends.

Learning Together

To showcase habitats to Year 3.
We will produce a piece of art as a Year 4 and 5 team.

Music

Variety of songs in assembly

Computing

E safety

Cyber bullying –
How would my friend feel if.....?

Art/DT

Designing a camouflage picture based on the picture by Henri Rousseau

PE

Skills and techniques used in Sports day.

Languages

French – objects in the classroom

RE

Celebrating differences in religions celebrated in school.
