

Transform Trust Attendance Policy September 2019 (Derby version)

Updated June 2019

Mission Statement

Regular and punctual attendance is an essential prerequisite to effective learning. At **(Pear Tree Community Junior)** School we aim to develop an ethos which demonstrates to children, parents/carers and the wider community how much we value good attendance and punctuality. We expect all pupils to attend school every day.

Legal Responsibility

The parent/carer of a child of compulsory school age is required by law to ensure that the child attends the school at which he/she is registered. Should a parent/carer fail to ensure that his/her child attends that school then the parent/carer is guilty of an offence. When a child of compulsory school age is absent from school, the attendance register must indicate whether the absence is authorised or unauthorised and the appropriate register code will be used.

Authorised Absence

Authorised absence is where the school has either given approval in advance for the child to be absent or where an explanation offered afterwards has been accepted as satisfactory justification for absence.

Absence may generally be authorised for the following reasons:

- illness, medical or dental appointments;
- days of religious observance.
- traveller child travelling for the purposes of parents' employment
- 'exceptional' occasions (the nature of such occasions will be determined by school on an individual basis).

Whenever a child is absent from school it is the duty of the parent/carer to notify the school on the day of absence before the start of school and provide a reason for absence.

Unauthorised Absence

Unauthorised absence is where no explanation has been given for the child's absence or where the explanation offered is considered by the school to be unacceptable.

Absence should **not** be authorised in the following circumstances:

- no explanation is offered by the parent/carer;
- the explanation offered is unsatisfactory (e.g. shopping, minding the house, etc);
- family holidays (unless granted under 'exceptional' circumstances).

Persistent Absence

Persistent absence (or PA) is absence of 10% or more. An individual child is deemed to be a persistent absentee, therefore, if his/her attendance is less than 90% (regardless of whether or not the absences have been authorised).

Approved Educational Activity

Children who are educated off site, dual registered, or who are engaged in supervised educational activities away from school premises, need not be marked as absent, and will be recorded appropriately (Code B, D or V). This means that children attending educational visits, or approved sporting activities can be counted as statistically 'present'. The nature of the activity must, however, be recorded by use of appropriate code. This is important in order to ensure that an accurate record of those children physically present on site at any given time is instantly available.

Registers

We are required by law to call attendance registers twice daily - once at the start of the morning session and again during the afternoon session.

In considering attendance levels, the register is of paramount importance. Registers are legal documents. Should the parents/carers of a persistent non-attender be prosecuted by the Local Authority, then the information which the register contains will be the main source of evidence presented to the court. The regulatory requirements placed on schools with regard to the keeping of registers are to be found in the Education (Pupil Registration) Regulations 2006.

Punctuality

Once the doors are closed pupils must enter school via the school office. School staff will operate a daily "late gate". Any pupil who comes into school late will be marked as late in the attendance record. Records are kept of those pupils who are late, this is documented on the electronic register for each pupil

Children who have attended a dentist or doctor's appointment and subsequently come to school late, before the session has closed will receive a late mark and a comment entered. If they don't return before the end of the session the absence will be recorded as a medical absence (Attendance code M).

Children who are persistently late miss a significant amount of learning. Where there have been persistent incidents of lateness parents/carers will be advised of the concerns and the school will provide opportunities for parents/carers to seek support and advice to address these issues.

Where a child is persistently late and has accrued sufficient 'U codes' in the register a referral may be made to the Education Welfare Service, who may in turn issue a Penalty Notice. The register is closed after 20mins from school start time where a code L is used after this the U code will be used.

A Penalty Notice incurs a fine of £60 if paid within 21 days increased to £120 if paid within the 28th day.

It is the responsibility of the Headteacher to monitor attendance and punctuality. Transform Trust in conjunction with the Headteacher set attendance targets annually and are kept informed on attendance figures.

Leave of Absence

There is no entitlement in law for any leave of absence from school in term time.

Any applications for leave of absence must be made in advance using the 'Leave Request' form and any request can only be authorised where School accepts there are 'exceptional circumstances'.

At *(Pear Tree Community Junior)*, when considering such requests we take into account the following:

- circumstances of the request
- purpose of the leave
- length of the proposed leave
- the pupil's general absence/attendance record going back 12 months
- any attempts made to mitigate the length of absence
- the proximity of SATs
- general welfare of the pupil

If the school is informed or suspect that a family has been on holiday whilst suggesting to the school another reason of absence this will be unauthorised. It will be up to the family to prove that they have not taken a family vacation.

Where parents/carers take children out of school without authorisation legal action may be taken (see section on Penalty Notices below).

Parents/carers risk losing their child's place on the School Roll if the pupil does not return to School on the agreed date of return and re-admission cannot be guaranteed as defined in legislation.

Penalty Notices

Where children accrue sufficient unauthorised absences school may make a referral to the Education Welfare Service.

The law gives powers to the Local Authority and other designated bodies to issue Penalty Notices where a parent/carer is considered able but unwilling to ensure their child's school attendance. Reducing absences from school is a key priority nationally and locally because missing school damages a pupil's attainment levels, disrupts school routines and the learning of others.

Parents/carers commit an offence if a child fails to attend school and those absences are classed as unauthorised. A Penalty Notice is an alternative to prosecution, which does not require an appearance in court unless the fine is unpaid after 28 days.

Full payment of the Penalty Notice means that parents/carers can avoid being prosecuted and convicted. Penalty notices are issued per parent per child at £120. However, if paid within 21 days the cost is £60.

The Education Welfare Service may also consider other options, such as taking further legal action.

Absence for religious reasons

The Local Authority has agreed with Religious Leaders and SACRE that one day for each religious festival (no more than three days in any one academic year), should be counted as authorised absence. This will be marked as 'R' in the register.

Children Missing Education

It is the duty of both the Education Welfare Service and school to collaborate in finding the pupil before deleting them from the register. The school **must** complete all required checks (admissions, housing, social care, school health, NCAT) and home visits before deleting the child from the school register and completing the CME referral form.

Attendance incentives

Good attendance is rewarded in a variety of ways at Pear Tree Community Junior School, using a mixture of individual, class and whole school incentives (see Appendix 2).

Monitoring Attendance

All pupils' attendance will be monitored regularly and at least half termly (see Appendices 1 and 2).

The principles of this policy will also be applied to all Nursery and Foundation 2 pupils.

Review date: July 2020

Transform Trust Attendance – Expectations

Transform Trust schools will:

- Achieve 96+% total school attendance, apart for those children with chronic health issues as identified by a specialist (0.6% unauthorised and 3.4% authorised) Schools over 96% to agree a specific target
- Create an ethos in which good attendance and punctuality are recognised as the norm and valued by the whole school community

- Have a Trust appointed Attendance Officer if whole school annual return (September to May 31st) is below 95%

Expectations of Parents

Parents have a legal duty to ensure that their child attends school regularly and arrives on time. Full attendance is essential to the all-round development of a child and they should be allowed to take full advantage of educational opportunities available to them by law. Poor attendance undermines their education and, sometimes, puts pupils at risk. The school will share the attendance percentage with parents at each parent consultation meeting and more frequently where there are concerns.

It is the **parents' responsibility** to contact the school on the **first day** their child is absent. This is a **safeguarding matter** so that all parties know that your child is safe.

Pupils are expected to arrive by 8:50am. All pupils who **arrive late must report to the school office** where they are registered, their meal requirements noted and the reason for lateness is recorded.

Illness and Medical Appointments

When a child is unwell, parents should contact the school **before 8.45am** on the first day of absence informing the school of the reason for absence.

When a child is absent, the class teacher will record the absence in the register. As part of our Safeguarding Procedures, the attendance officer will endeavour to contact the parent or carer and other emergency contacts if **no message** has been received regarding the reason for the absence to check on the safety of the child.

- a) Every effort should be made to arrange **medical appointments outside school hours**.
- b) An **appointment card or verification** by the doctor/ dentist/hospital is required.
- c) If it is necessary for a child to be out of school for this reason, the child should be **returned to school directly** after the appointment.
- d) If a child is absent due to **vomiting**, they should not return to school for the next 24 hours after the last bout of sickness. This is to reduce the risk of infection to other children and adults at school.
- e) For **more than three days of absence** the school require an explanation of why the child was absent from parents or carers.
- f) **Medical certificates** are required for hospital absence.
