Attendance –

Area	Points to discuss	Comments
School uniform	Lots of people are coming to school in trousers and trainers	Give the whole class a reminder of expected uniform. Put up posters around school to remind them of the uniform. Give out tokens daily but give out weekly/termly/whole year prizes as well. If children come without uniform consistently, then they will have to stay in at breaks and lunchtimes. They could also have class tokens taken away.
PEAR T characteristics	What animals could we have to represent the PEAR T learning behaviours?	Children will go back to class and ask their peers what ideas they have for the animals. Come back to school council next week with ideas for the animals.
AOB	Behaviour and manners in the dinner hall	Children are not happy about children who swear. They think they should have tokens taken away, other children could say stop, they should be excluded, given a detention at break/lunch/after school, have a time out corner in the classroom and talk to parents.
Next time		Discuss PEAR T animals and bullying.
