Spring and Summer Terms to be confirmed

We have an annual Pay Committee which meets in the Autumn term and we are involved in the Headteacher's annual performance management process – this is also done in the autumn term.

## **Governance – Monitoring Visits – Autumn Term**

Members of the Governance Board also undertake monitoring visits. Below are some of the areas that we are monitoring:

- **Safeguarding.** Two members of our Governance Board have conducted safeguarding visits and the Trust has also completed a full safeguarding review of the school in November 2018.
- **School - direction of travel.** This was conducted by our Chair who looked at the physical environment in terms of displays – both inside and outside classrooms; spoke to a range of staff about the direction of school improvement and observed end of day arrangements when children leave the school.
- **Learning Walk.** This was conducted with the Headteacher and involved going into every classroom and speaking to a range of children and staff including the school business manager. As a result, of this visit, our school priorities – priority 4 was amended to take account of the significant mobility concerns that we have at the school.

## **Attendance Monitoring of Governance Board Meetings**

It is also a requirement that we show our attendance at our formal Governance Board meetings. This can be viewed in the document on the school website.
