

## June 2019 – Parent Questionnaire Results

Thank you to all the parents who filled in a Parent Questionnaire and returned it to school. The feedback we receive is really important to us and will support the development of our School Improvement Plan.

During the next few weeks the results of this questionnaire will be discussed with the Governing Body, Advisory Board and Leadership Team to set actions based on the results to make the necessary improvement to our school.

### Pear Tree Community Junior School Parent Questionnaire June 2019

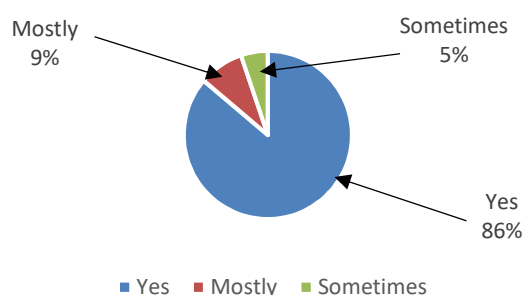

The over whelming responses from parents were really positive about the school:

- Nearly 90% of parents saying that their children are happy and feel safe at school
- Over 90% of parents felt that their children are making good progress and has appropriate homework
- Over 85% of parents feel that the school has good teaching and is well led and managed

We also received some great Comments:

- You make my son happy
- My child says Pear tree is amazing
- The staff are very cooperative to any concerns
- I have seen a lot of staff effort going into to my child's learning

#### My child is happy in School

The points where there was a less positive response will form part of our action plan:

- 10% of parents felt that behaviour was only good sometimes and that the school does not always deal effectively with bullying
- School Meals were also raised through a couple of parent's comments
